### SIZING CHART

Patient should be standing when taking measurements. Limbs should be at their smallest; limb size should be maintained from time of measurements to ensure a proper fit of the garment. Be sure to select a length (D) and a legging size (B, C). Also, select a foot size (H) if ordering a detached Juxta-Lite™ Ankle-Foot Wrap (AFW). After measuring the smallest dimension of the ankle and the largest dimension of the calf, if the measurements do not fall within one of these size ranges, call (800) 247-2243. Actual legging lengths are 28cm (Short) and 33cm (Long). Note: Standard offering includes one legging, one BPS™ card, one Comfort Leg Liner™ and one pair of Comfort Compression Anklets™. The Comfort Leg Liner™ can be upgraded to a Comfort Silver Leg Liner™ for an additional cost at the time of purchase. **Note 1** in = 2.54cm
